

BOOK Drive

In Honor of Barbara Pierce Bush!

Dear Parents,

What better way to honor our school's name sake than donating a book/books to classrooms? In remembrance of Barbara Bush, if you would like to send in books to be donated, a special label will be placed inside. Our kindergarten, first, and second grade teachers will be receiving these donations to replenish their classroom libraries and ensure that each student has books for silent sustained reading time.

If you would like to donate one (or more) new or gently used, age appropriate books, please send them in and have your student take them to the library. Mrs. Tiblier will place the special label and divide them out to place in classrooms according to the teachers' needs.

Our teachers thank you in advance!
