

Birthday Book Club

The Bush Elementary School Library Birthday Book Club is one in which you can celebrate your child's birthday in a special way and help our library collection continue to grow. Participation in the program involves a \$20 donation per student. SchoolCash Online will be the only accepted form of payment (no cash or checks will be accepted).

For this donation your child will select a newly purchased book from our library and be the first student to check that book out. There will be a book plate put inside the book and your student will get a fun book mark to celebrate. We will celebrate during your child's birth month.

If you are interested in having your child/children join at this time, the process is different than in years past. Please follow these steps to sign your child up:

- Sign on to your SchoolCash Online account (found on the Bush homepage). If you haven't already created an account, you will need to do this now.
- Under your student's tab you will find the link for Birthday Book Club. If you have multiple students you are signing up it can all be done on this one form.

Please know that there will be other opportunities during the school year for your child to join Birthday Book Club, if you prefer to wait. If your child's birthday is in the summer months, they will be invited to participate during his/her half birthday month. June birthdays will be celebrated in December, July birthdays in January, and August birthdays in February.

Your generosity will benefit all our students. Thank you for your participation and support of our school library!

Sincerely,

Meagan Tiblier, Librarian
